

# THE STATE OF 5G WORLDWIDE | 2022

Speedtest Intelligence® data from Q3 2022 showed a stabilization in overall 5G speeds, even as 5G access expanded to more countries and to more locations within countries that were previously served. This map also includes details on which countries have the fastest median download speeds over 5G.

For ongoing analysis of 5G as well as network performances, visit [\*\*ookla.com/insights\*\*](https://www.ookla.com/insights).

The OOKLA logo is displayed in white on a dark blue background. It features the word "OOKLA" in a bold, sans-serif font, with a stylized graphic element consisting of several parallel diagonal lines to the right of the "K". A registered trademark symbol (®) is located to the upper right of the "A".
